THE MUMMY Published

NEW YORK, NEW YORK – May 22, 2017 – *THE MUMMY*, a novel by Renald Iacovelli, has been published.

When Harold Ostrich, a successful businessman, buys a mummy at an antique shop and it comes to life, his world is turned into a nightmare. For the first time he must deal with the terror of a supernatural event, which in its persistence threatens to undermine everything he has worked for and any chance of happiness in his life. By turns anxious, bizarre, and wryly funny, *THE MUMMY* explores what happens when a life based on unquestioned notions of reality is overturned by coming face to face with the frighteningly inexplicable, and what struggles and spiritual transformations take place along the way.

THE MUMMY is available to the public through major online retailers and may be ordered by libraries and official institutions through Ingram Library Services. It is also available as a Kindle ebook.
